CLIENT CREATIVE BRIEF & TECHNICAL SPEC

Sunshine Dental Clinic

Premium Clinic Website Architecture, Content & UI/UX Specifications

Location: Hanamkonda, Telangana
Prepared For: Web Development Team
Primary Leads: Dr. Bhanuja | Dr. Madhuri
Status: Approved for Production

Project Vision: Build a high-converting, mobile-first website for Sunshine Dental in Hanamkonda. The design must convey clinical excellence, sterility, painless modern care, and warm hospitality, encouraging new patients to book appointments in one click.

1. Practice Identity & Lead Dentists

Dr. Bhanuja

Lead Dental Surgeon

Clinical Focus: Painless tooth extractions, conservative operative dentistry, and restorative root therapies. Known for patient communication that alleviates dental anxiety and stress-free surgical care.

Dr. Madhuri

Aesthetic & Endo Specialist

Clinical Focus: Smile designing, cosmetic restorations, clear aligners, and painless single-sitting endodontics. Dedicated to restoring functional oral health paired with natural aesthetic beauty.

2. Visual Art Direction & Color System

The visual identity must reject cluttered, dark hospital layouts in favor of an airy, welcoming studio aesthetic with warm gold solar accents.

Porcelain White
#FFFFFF • Base Background

Sunshine Amber
#D97706 • Buttons & Focus

Deep Slate Navy
#0F172A • High-contrast Text

Clinical Mist
#F8FAFC • Cards & Panels

3. Clinic Operating Details & Patient Channels

Clinic Address: Hanamkonda Central, Warangal Urban District, Telangana.
Primary Contact: Direct Clinic Line & Official WhatsApp Number.
Core Tagline: *"Your Smile, Our Priority"*

Mon – Sat Timings: 10:00 AM – 8:30 PM (Continuous OPD)
Sunday Timings: 10:00 AM – 1:30 PM (Consultation by slot)
Google Business Profile: Direct embedded link with route navigation.

4. Clinical Services Matrix (Treatments to Showcase)

Each service card on the homepage must feature patient-friendly terminology, a 2-line explanation, key benefits, and a dedicated *"Consult Specialist"* action trigger.

Service Category	Clinical Scope & Patient Messaging	Key Conversion Trigger
Surgical Care **Wisdom Tooth & Extractions**	Painless removal of deeply impacted wisdom teeth (Gnana Dantham), emergency relief for acute pressure, and sterile minor oral surgeries.	*Painless Extraction* 1-Day Healing Care
Endodontics **Root Canal Treatment (RCT)**	Single-sitting microscope-guided root canals to eliminate severe pulp infection, preserve natural teeth, and fit durable zirconia crowns.	*Single-Sitting RCT* Zero Pain Protocol
Aesthetic Dentistry **Teeth Whitening & Veneers**	In-office laser whitening, stain removal, chipped tooth repair, porcelain veneers, and complete aesthetic smile makeovers.	*Same-Day Whitening* Instant Radiance
Orthodontics **Braces & Clear Aligners**	Invisible aligner treatment for adults and adolescents. Correction of crowded, misaligned, or spaced teeth with digitally mapped progress.	*Discreet Aligners* Free Digital Scan
Implantology **Dental Implants & Bridges**	Permanent replacement for missing teeth using biocompatible titanium fixtures, immediate loading implants, and full arch restoration.	*Lifetime Stability* Natural Chew Function
Pediatric & Preventive **Kids Dental & Deep Scaling**	Gentle ultrasonic plaque scaling, cavity prevention with fluoride varnish, pit & fissure sealants, and gentle pediatric dentistry.	*Child-Friendly OPD* Routine Cleaning

5. High-Impact Page Structure (Homepage Architecture)

Hero & Trust Banner

Above the Fold

Display full-width imagery of the clinic interior, a trust badge strip (*"100% Autoclaved Tools"*, *"Certified Specialists"*), headline: *"Advanced, Painless Dental Care in Hanamkonda"*, and a 2-button CTA: **Book Online** or **Call Now**.

Proof & Transformations

Mid-Section

Interactive Before-and-After smile slider, curated 5.0-star Google Reviews with direct links to leave feedback, and embedded educational video reels showing doctor explanations and treatment demonstrations.

6. Mandatory Interactive Conversion Features

- **Sticky Mobile Action Bar:** Pinned to the bottom on mobile screens with two high-contrast buttons: *"Call Clinic (+91-...)"* and *"WhatsApp Us"*. This ensures 80%+ smartphone visitors convert without searching for numbers.
- **1-Click Direct Booking Form:** Lightweight popup or embedded card collecting: Patient Full Name, Phone Number, Preferred Date, and Treatment Dropdown (Tooth Pain, Cleaning, Aligners/Braces, Wisdom Tooth, Other).
- **Instant Notification Dispatch:** On form submission, instantly trigger an automated SMS / WhatsApp notification to clinic staff and redirect patient to confirmation page with Google Maps directions.
- **Interactive Google Maps & Directions:** Clean embedded map with landmark guide and an immediate *"Navigate to Sunshine Dental"* trigger opening Google Maps directly.

7. Performance, Mobile UX & Local SEO Requirements

Core Web Vitals & Speed:
• Mobile page load under 1.8 seconds on 4G/5G.
• All clinic photos converted to optimized WebP format.
• Zero layout shifts (CLS < 0.05).

Hanamkonda Local SEO Schema:
• JSON-LD Schema: `Dentist` / `MedicalClinic`.
• Geo-coordinates (Latitude & Longitude) defined.
• Optimized for *"Best Dentist in Hanamkonda"*.

8. Asset Delivery & Handover Checklist

- [x] **Vector Logo Assets:** High-resolution PNG (transparent background) and SVG versions of the Sunshine Dental tooth-and-sunburst insignia.
- [x] **Professional Photography:** High-res portraits of Dr. Bhanuja & Dr. Madhuri in medical coats/scrubs, plus operatory suite and reception photos.
- [x] **Clinical Registrations:** Doctor registration numbers, degrees (BDS / MDS), and specialized certifications for trust badges.
- [x] **Patient Proof Assets:** Anonymized before-and-after smile photographs and links to authentic 5-star Google Business Reviews.
- [x] **Routing Contacts:** Dedicated clinic mobile number for direct calls and an active WhatsApp Business number for instant chat routing.

Document Status: Final Design Brief for Development
Target Go-Live: Phase 1 Prototype in 10 Working Days
